July 2011

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
TIP OF THE MONTH: This tip should keep your admin firmly under control. Often the reason you don't file is because it's so tedious to find folders and everything else you need for filing, including the labels. However, with a stack of blank folders, the necessary stationery and a label maker within reach, you have no excuse.				1 July	2 July	3 July
